WiSCC Outcome and Minimum Service Requirement Elements

Outcome Elements

1. Waiver Support Coordinators (WSC) have an effective method for learning about the people who are receiving their supports and services.
2. The WSCs are aware of the health, safety and well-being of the people they serve and advocate and coordinate in concert with them to support and address identified needs or issues.
3. The support plan is developed with the person and is reflective of the communicated choices and preferences that matter most to the individual.
4. The WSCs have evaluated the effectiveness of all supports for each person they serve and have implemented strategies to address any barriers that have been identified.
5. The WSC have facilitated educational opportunities, practical experiences, and exposure to ideas (EEE) to increase opportunities for choice and promote self-determination.
6. The WSCs have facilitated the accomplishment of positive results that reflect communicated choices and preferences that matter most to the person.

Minimum Service Requirement Elements

7. Level 2 background screenings, and five-year re-screenings, are completed for all direct service employees.
8. The WSC has attended required training.
9. WSC services and all other service providers are authorized by an approved cost plan and service authorization (or purchasing plan for individuals on CDC Plus).
10. The provider bills for the service at the authorized rate.
11. The provider maintains documentation required for billing.
